C & M Committee meeting 8th February 2018 DRAFT minutes

- ii. Posts should relate to publication of agenda and minutes of Council and Committee meetings, together with Highways related matters such as impending roadworks and issues reported to East Sussex Highways or Wealden DC.
- iii. That individual councillors should not post personal responses to issues raised by parishioners on the Facebook and a formal response should be made by the Clerk having liaised with the Chair of the relevant committee
- iv. That comments raised should be escalated to the relevant Chair committee and a response agreed and then posted.
- v. It is recommended that the first response should be to invite a parishioner to the relevant council meeting and that an item should be added to the agenda to consider the concerns or questions raised.

c) Review Considerate Parking Campaign and agree further actions.

- i. Cllr. Martin advised that some of the large posters have been damaged since they have been put up.
- ii. Cllr. Hardy and Cllr. Cahan advised that both Parish primary schools have written to parents in their newsletters to ask them to park considerately. Rotherfield school have recently had another complaint. Mark Cross school have asked parents not to park on the zig zags and have highlighted that they are working with the Council.
- iii. It was **RESOLVED** that Cllr. Cahan will put up the A4 laminated posters around the villages.
- iv. Cllr. Harris advised that he received a voicemail from an unknown parishioner complaining about parking on the verge opposite the Highgate flats. It was considered that this area is Highways land over which the Council have no powers.
- v. Cllr. Hardy advised that he put notices on all the cars outside of Eridge station, and the ticket office received a lot of complaints from commuters saying they weren't doing anything illegal. Cllr. Hardy spoke to the owners of the Huntsman who complained that their wooden signs had been damaged by cars knocking them as they drive past. Cllr. Hardy advised that there is a consultation to increase the size of the car park but, as it is never full, increasing the capacity will not improve the situation.
- vi. Cllr. Harris advised that the Council have been trying to improve the situation for many years and that previous efforts had persuaded Southern to increase the capacity by 20 spaces.

d) Consider and approve HR Agency Terms of Business to assist the Council with HR.

Cllr. Hardy advised that cost of an Android option is £155, and that of a Windows version as recommended by Computer Studio is £200. Cllr. Hardy and Cllr. Cahan agreed that the Council work involves a large amount of email correspondence each week and a lot of issues do need to be dealt with during Councillor's working days. It was also noted that many documents need to be considered in preparation of the approximately 48 Council and Committee meetings per year; it was considered a reasonable expense for the Council to purchase tablets for those Councillors who did not already have a device that allows them to access council emails and documents. The tablets will remain the property of the Council and if a Councillor resigns it will be returned and offered to their replacement.

It was **RESOLVED** that 4 tablets be purchased for Councillors at a total cost of £800, providing that all the Councillors identified as requiring a tablet confirm with Cllr. Hardy that they wish to be issued with one.
