

# Public drop-in session

## Wealden area

**Your opportunity to discuss water supply interruptions due to March's extreme winter weather and South East Water's forthcoming £3m water main upgrade works in your area**

- Feedback and help our analysis and plans
- Meet South East Water's Operations Managers and Engineers
- Contribute to our review of what happened in March and lessons learnt activities
- South East Water's Customer Care Team also available to help customers with additional needs or questions
