**RESOLVED** that as the Council are funding the cost to the path that no contribution is to be made toward the fencing, **CLERK** to advise the Club.

**b) Review terms and conditions for using Council owned land and facilities to ensure that organised "fitness class" activity is covered by them; consider charges for such activities.**

These appear to be provided by a Tonbridge based instructor in Court Meadow Green on a regular basis. Clerk considers that use of Council land in this way is covered by the Council's "Using Facilities Owned by The Council" Policy.

**RESOLVED** the following: -

**ACTIONS for CLERK**

Contact organiser and advise the following: -

- i. We require evidence of Public Liability Insurance covering the activity together with the other requirements of the Policy.
- ii. The picnic benches are not to be used in conjunction with the activity.
- iii. The activities should not interfere or inconvenience other users of Parish Council land
- iv. It would be preferred if these activities took place on the Rec. as there is more space.

Also to enquire of other Parish Council's if they have policies governing organised "for profit" activity on their land and if they charge such users.

**CLLR. GILBERT** to raise matter at the next meeting of the Sports Club to whom he is the Council's representative. It should be established as to the best area of the Rec. to use, particularly on Saturday mornings in the football season when many teams practice.

**g) Agree central “booking” arrangement for “out of season” activities to avoid “double bookings”.**

Cllr. Gilbert declared a personal interest in this item as he has family members who belong to the Cricket and Football clubs. Cllr. Hardy declared a personal interest as he was one of the organisers of the Church event involved.

Due to adverse weather, a Church event on the Rec., advised to and agreed by the Council, did not take place. However, it transpired that a football “friendly” had been arranged for the same day which would have conflicted with this. Recommend that Sports/Cricket/Football clubs are contacted regarding this to ensure that “out of season” matches do not conflict with other events.

**RESOLVED** that **CLERK** contact the Sports Club to request that list of fixtures is provided to the Council to eliminate risk of booking conflicts with “one off” events.

**h) Legal opinion and advice on notice displayed by Parish Group disclaiming liability for damage caused by their activities.**

Details sent to SSALC seeking legal advice on this, and requested that information is available for this meeting. SSALC have considered this in conjunction with the agreement dated 27<sup>th</sup> April 1995. The “Conditions of Occupation” Licensees obligations 1.11 indemnifies the Council against costs, liabilities and claims arising from use of the Rec. It is considered that the sign displayed had no effect on this.

**i) Update regarding height barrier issues.**

Cllr. Martin reported that his contact within the Contractors was on holiday and he will speak with him regarding these on his return. It is understood that a replacement “arm” is to be provided.

**j) Request for inclusion of Scout Hut surrounds in Litter Picker duties.**

Believed that our litter picker has already undertaken this work but it is not clear if the Scouts had contacted him directly to request that he deals with it. Cllr. Martin is to request that he clears the drainage gullies in this area on his next “round”.

- ii. Subject to funding further developments here could include picnic bench and items of play equipment.
- iii. Councillor Hardy recommended that a "faculty" be obtained prior to adding items to the site, this to formalise the situation with the Church authority.
- iv. Cllr. Martin suggested a local fencing contractor who may be able to assist the project.
- v. Clerk advised that £241.99 remains unspent in the "Community Dividend Fund" account which held money originally allocated by WDC to the Mark Cross Parish Ward; this sum remained after purchase of the replacement Church noticeboard in 2015.

Budget for 2017/18 to be agreed at this meeting.

### **7. REPORT DETAILS OF ITEMS AND ISSUES FOR INVESTIGATION, FURTHER ACTION OR FOR FUTURE AGENDA**

- Clerk advised that he had been contacted by a Parishioner highlighting access issues to St. Denys' Church via both the Lych Gate and "kissing gate" entrances which are difficult or impossible to use by those with mobility issues or using mobility scooters. Cllr. Hardy reported that the Church are taking steps to modify the Lych Gate so it has level access. Believes that the kissing gates are the responsibility of Wealden DC, the path from Court Meadow to Church Road running across the Churchyard is a designated public footpath. Clerk to investigate and report.
- Cllr. Kitchenham confirmed that the Mark Cross Church and Community centre would be available to use for the September Council meeting. It was decided to hold this meeting Rotherfield rather than Mark Cross as currently there is no Wi-Fi available at there, and the September meeting will involve election of a new Chair, also selection of a Co-option candidate to fill the current Councillor vacancy.
- Cllr. Henrick noted that the restraining straps for stacking the large tables in the Village Hall were worn and potentially a hazard if they broke. Cllr. Gilbert will raise this issue when he attends the next meeting of the Hall committee.
- Concerns expressed at the sudden closure of the Village post office counter, the inconvenience caused to those without their own transport and lack of information regarding the reason. It is understood that this important Village facility is re-opening tomorrow.

- Parking restrictions. Concerns expressed that the Police appear to have absolved themselves of their responsibility to enforce these and that consequently dangerous and obstructive parking was occurring, particularly in North Street. Council to seek meeting with Wealden Police Commander to highlight this issue and request action.
- Eridge Station. Cllr. Hardy reported that issues continue with “scrap” vehicles being parked in this area. Request also received from the Sussex Rail Community Partnership for bus shelter(s) on the A26 stops here, also for refilling of grit bin.
- Parishioner has raised issue that the gate at the Cemetery is not closing properly. Cllr. Watson-Smith has kindly offered to deal with this issue.
- War Memorial Working Group is to meet tomorrow, Cllr. Hardy is to report at the forthcoming Council meeting.

The Chair declared the formal business of the meeting closed at 21:20.
